RE: City of Trenton - Political Information Activities
(0-22-74)

Dear Mr. Dougherty:

This will confirm our telephone conversation of April 4, 1974 regarding your letter of March 1, 1974.

The questions which you pose in that letter are questions pertinent to the litigation presently pending in the Superior Court of New Jersey, Chancery Division. It is, therefore, impossible for us at this time to address ourselves to those specific questions.

It would be my impression that the City, in any event, would be protected by the injunctive order entered by Judge Kimmelman which prohibits the Commission from enforcing the March 1 deadline for political information organization filings.

In any event, the City would appear to be protected by the provisions of paragraph 6(f) of Chapter 83 of the Laws of 1973.

Yours very truly,

David F. Norcross
Executive Director
