

Download Instructions

If you are using Internet Explorer, Chrome, Firefox, or Safari as your internet browser, and you are having problems opening the ELEC Fillable Forms, follow the instructions below.

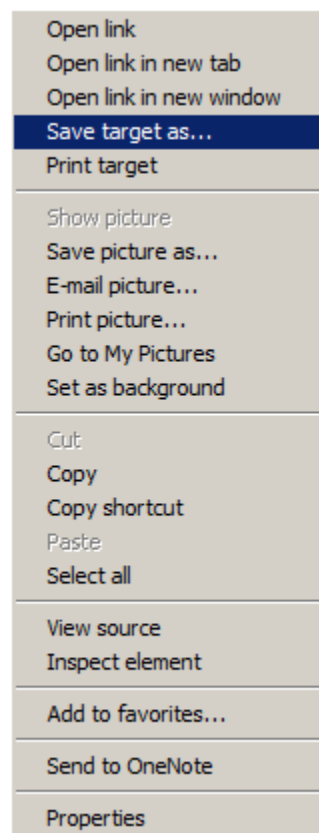

Right click on the Icon:

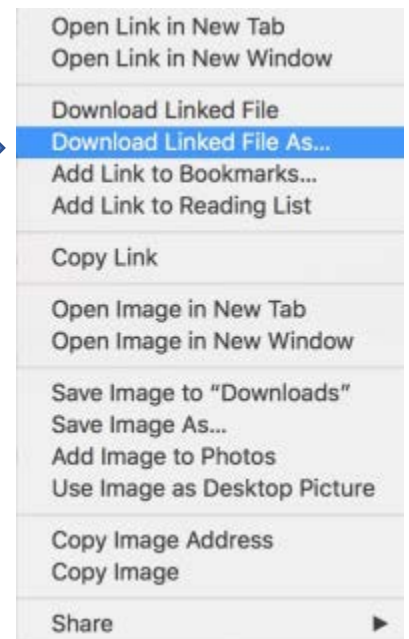

Chrome and Firefox Select:

Internet Explorer Select:

Safari Select:

Save the file name in a location that you will remember.

Right click the saved file in your documents and select:

This should allow you to open the document with Adobe. Fill out and save the form again to your documents before you return to our website to submit the saved document.
