LIBERTARIAN PHILOSOPHY: Freedom, Limited Government, Peace, Tolerance, and Free Markets

YOU

Excited for a virtual 3rd term of Corzine or Christie? How about 4 more years of failed policy? Clearly, there will be no change if you elect a Democrat or Republican. It's time for a real change. I'm here to give you the Libertarian choice.

ME

Born in Passaic. Raised in Carlstadt/E. Rutherford. Single father raising 2 boys in Bergen County. I'm struggling to make ends meet raising my family in NJ. I've spent a lifetime in service to you – U.S. Marine Corps Rifleman, Volunteer Firefighter, Youth Athletic Coach, and working with the youth of Newark implementing outreach educational programs. I ask you to allow me to serve you further by electing me, Peter J. Rohrman, as Governor.

FISCAL DEMOCRACY

The average NJ family is forced to pay approximately 30% of their income to the state, county, and municipal governments. My "Fiscal Democracy" plan will limit this to 10% and allow you, the individual, to choose which government programs your tax payments will fund. This moves the power of appropriations out of irresponsible legislators' hands, and places that power directly into yours. YOU WILL CHOOSE WHAT TO FUND OR DE-FUND. "Fiscal Democracy" will eliminate property tax, gas tax, sales tax, and even vehicle registration fees. "Fiscal Democracy" creates massive incentive for companies to re-locate to NJ and will eliminate unemployment. More info: www.Pete4NJ.com/tax-plan

SCHOOL CHOICE

Your child's education shouldn't be dictated by your zipcode. I am advocating for voucher programs that will allow municipalities to cut their educational costs in half, improve their education, and give parents a choice of where their child attends school. We'll give local school boards the power to hand parents a check for their child's education. This could be as much as \$18,000 per child for tuition to attend a school that best meets your child's needs.

WEAPONS

The right to defend your person, property, and home is non-existent in NJ. A restraining order will do nothing to protect you from harm. Police are minutes away when seconds count in an assault or carjacking. On Inauguration Day, I will sign a mass pardon from most of NJ's draconian gun laws. We'll follow Vermont's lead, and revert to federal gun law only.

MARIJUANA

I oppose the “War on Drugs” as it prosecutes people with medical problems and endangers our police officers at the benefit of blustering politicians. As a first step in ending this war, I intend to legalize marijuana and refuse to inhibit its accessibility with government permits or additional taxes that would force it back underground.

AGE OF MAJORITY

I will also use executive power to reduce drinking, smoking, and gambling age in NJ to 18. If you are old enough to die for your country, you should be able to have a drink or play cards in Atlantic City.

Semper Fi,
