Re: The New Jersey Campaign Control and
Expenditures Reporting Act, P. L.
1973, c. 83 ("the Act")
Your Letter Dated July 20, 1973

Dear Mr. Abramo:

Your letter of July 20, 1973, to the New Jersey Election Law Enforcement Commission ("the Commission"), including a request for advisory opinion, has been forwarded to me for reply. By previous correspondence, the Commission requested an extension of time within which to reply to August 20, 1973.

- 1(a) Where 60-day interval reports are required, such reports must be filed at the conclusion of each 60-day interval from the first filing date on July 24, 1973.
- (b) As to candidates or political committees whose obligation to file is limited to the filing of 60-day interval reports (e.g., a political committee of a candidate defeated in the primary election), the filing date for such reports is September 22, 1973.
- (c) As to candidates and political committees having an obligation to file the 25 day pre-election report as well as the 60-day interval report, and as to political party committees, the filing date is October 12, 1973. The Commission will regard a report filed on October 12, 1973 as satisfying both the 60-day interval report requirement and the 25 day pre-election report requirement, provided the report includes all contributions received and expenditures made from July 23, 1973 to October 11, 1973.
