RE: Opinion No. (O-45-74)

Dear Mr. Ligham:

This will acknowledge receipt of your letter of April 17, 1974 requesting an advisory opinion with respect to a non-profit corporation which has been formed and which is in the process of circulating petitions to obtain a change in government.

Please be advised this matter has been taken up by the Commission and the Commission finds that insufficient information has been supplied in your letter in order to reach a conclusion with respect to the applicability of Chapter 83 of the Laws of 1973.

Therefore, would you please be so kind as to indicate to the Commission the nature of the activities engaged in by the corporation, the purposes for which it was organized, the approximate number of members, and fiscal information with respect to present expenditures, anticipated expenditures and overall budget.

We would also appreciate information with respect to when we might anticipate that the question would be placed on the ballot.

Yours very truly,

Edward J. Farrell, Esq.
