Frederick M. Herrmann, Executive Director of the New Jersey Election Law Enforcement Commission, has announced the appointment of Jeffrey M. Brindle as Deputy Director of the Commission.

In a statement made today Herrmann said that Brindle, formerly the Public Information Officer for the New Jersey Department of Community Affairs, will be responsible for the day-to-day operations of the Commission.

"Speaking for myself, the Commission, and the entire ELEC staff, we are happy to have acquired the services of Jeff Brindle," said Herrmann. "A person of his background and knowledge of state government and elections will surely be an asset to our Agency."

Prior to serving as DCA's Public Information Officer, Brindle was the Deputy County Clerk in Somerset County. He had also worked with the Somerset County Legislative delegation and had been Executive Director of the Union County Chapter of the March of Dimes.

Brindle, who holds a Masters degree in political science from Villanova University, will earn \$45,000. Formerly a resident of Milltown and Franklin Township, Brindle now resides in Hamilton Township with his wife, Karen, and daughter Katherine.
