PRESS ADVISORY

Frederick M. Herrmann, Executive Director of the New Jersey Election Law Enforcement Commission (ELEC), announced today that an updated alphabetical contributor list for the 1993 gubernatorial primary election is available for public inspection at the Commission's offices. The information contained in the list is taken from contributor information provided in applications for public matching funds submitted to the Commission.

Herrmann explained that, to date, public matching funds have been certified for candidates Cary Edwards, Christine Todd Whitman and Jim Wallwork. The list which is currently available therefore contains contributor information relevant to the Edwards, Whitman and Wallwork campaigns.

Contributor lists will be updated approximately twice a month through the June 8, 1993 primary election. Copies of the list are available from the Commission for purchase.
