## PRESS ADVISORY

Jeffrey M. Brindle, Deputy Director of the New Jersey Election Law Enforcement Commission (ELEC), announced today that an alphabetical contributor list for the 1997 gubernatorial general election is available for public inspection at the Commission's offices. The information contained in the list is taken from contributor information provided in applications for public matching funds submitted to the Commission.

Brindle explained that public matching funds have been certified for Candidates James E. McGreevey and Christine Todd Whitman, and the list therefore contains contributor information relevant to the McGreevey and Whitman 1997 general election campaigns.

Contributor lists will be updated approximately twice a month through the November 4, 1997 general election. Copies of the list are also available from the Commission for purchase.
