**Press Advisory**

The New Jersey Election Law Enforcement Commission today temporarily suspended the pay-to-play filing deadline for nonprofit business entities only.

Citing a pending opinion from the Office of the Attorney General as to whether or not nonprofit business entities should be subject to pay-to-play disclosure requirements, the Commission acted to suspend the deadline until October 30, 2007. The Commission took this action under its authority to relax its rules.

The Commission will review the issue at its next meeting on October 23, 2007.

For-profit business entities are still required to file the annual disclosure statement on September 28, 2007.
