CONTACT: JOSEPH W. DONOHUE
ACTING EXECUTIVE DIRECTOR

FOR RELEASE:
November 1, 2023

Thomas Prol, Chairman of the New Jersey Election Law Enforcement Commission (ELEC), has announced that the Commission has named Deputy Director Joe Donohue as Acting Executive Director.

Prol made the announcement after conferring with fellow members. The action will be formalized at its November 21, 2023 monthly meeting.

Donohue will serve in an acting capacity while the Commission conducts a search for a new Executive Director. He was hired as Deputy Director in November 2009.

The action was prompted by the retirement this week of Jeffrey Brindle as ELEC's long-time Executive Director.
